

WE BRING
OUR **INSIGHT**
ON-SITE.

From insight to on-site.

CORPORATE OVERVIEW

WHO WE ARE

An industry leader since 2005. A professional environmental consulting and on-site services provider in the oil and gas, energy, utilities, mining, resources and industrial sectors.

Summit is unique in that we are **Strategically Diversified & Integrated, Personable & Responsive**, while being a **Progressive** and trusted service partner.

Our innovative consulting strategies and on-site execution logistics are part of a comprehensive mindset that shapes our foundation and drives us forward.

CORE FOCUS

A Core Focus is the combination of a company's WHY and WHAT. The why is our purpose, cause, and passion. The what is our niche, or what we do better than anyone else.

"To build a great company with exceptional people to preserve and restore our natural environment."

CORE VALUES

Our core values form the foundation on which we perform work and conduct ourselves.

RESPECTFUL | COLLABORATIVE | GROWTH ORIENTED | PRAGMATIC

OUR PEOPLE

We are personable, authentic, dependable and passionate about everything we do.

We Listen, We Collaborate, We Make Good On Our Promises.

OUR LOCATIONS

Summit is strategically located across Canada and Internationally with operations in Australia and the United States.

For current areas of operation, a full list of our professional services, or additional corporate information visit our website at www.summitearth.com

CORPORATE RESPONSIBILITY

Corporate Responsibility is fundamental to our business and central to our brand. We live by our core values and they inspire a code of conduct and ethical standard that shape the way we engage the environments and communities in which we live and work. We hold ourselves accountable through strong leadership and fostering a culture of responsibility and personal ownership.

For Summit, Corporate Responsibility includes Environmental, Social and Governance (ESG) Reporting; Health, Safety and Environment; Indigenous Relationships; Diversity, Equity and Inclusion; and Community Involvement.

We foster a workplace culture that is inclusive and respectful of all people. We value the cultures, traditions, and rights of Indigenous Peoples, and we recognize that we all have a role in the journey to reconciliation.

From Insight to On-Site.
